# Pastoral Letter

by David Heimann, Pastoral Associate

*"Precautionary measures that we are taking and are being encouraged throughout our city and nation are important ways we can show charity to one another."*

Thank you to everyone who followed the instructions we presented in last week's bulletin regarding the precautionary measures that we can take as a community to mitigate the spread of Coronavirus. *(No Holy Water at the entrance of church, receiving only the Blessed Sacrament and only by hand, and sharing the Sign of Peace through gesture)*. We continue to monitor the outbreak and will address concerns as they arise and communicate any updates through our electronic media.

If you are not currently connected to our parish electronic distribution list, I would encourage you to sign up at [www.flocknote.com/StAndrewChicago](http://www.flocknote.com/StAndrewChicago) or follow us on Facebook at [www.Facebook/SaintAndrew](http://www.Facebook/SaintAndrew) and Twitter [@SaintAndrewChicago](https://twitter.com/SaintAndrewChicago). These are the best ways for us to communicate with you throughout the week.

Also, please know that precautionary measures that we are taking and are being encouraged throughout our city and nation are important ways that we can show charity to one another during this heightened state of concern. The inconveniences we experience in our daily routines are small prices to pay for the prevention of harm to vulnerable populations within our community.

If there is anything that our staff or other parishioners can do to support you, please let us know. We encourage you to stay home if you are sick. If at home for extended periods, consider joining the Catholic community in prayer through [www.thesundaymass.org](http://www.thesundaymass.org) or reading the daily readings for Mass at [www.usccb.org](http://www.usccb.org). Stay healthy!

# Celebration Update...

## Changes to the 125<sup>th</sup> Anniversary Celebration

### Summary:

The Mass with Cardinal Cupich **WILL TAKE PLACE** on Saturday, March 21 at 4:00pm.

The Anniversary Dinner that was scheduled after the Mass will be postponed to a later date.

### Reasoning:

Based on the Chicago Department of Public Health's recommendation, for the immediate future, individuals who are above the age of 60 or have vulnerable medical conditions should avoid large gatherings to avoid exposure to COVID-19. The purpose of the 125<sup>th</sup> Anniversary Dinner is to have an intergenerational celebration of the entire Saint Andrew community. Holding an event at time when the city government recommends individuals over the age of 60 not to attend would run contrary to purpose of the celebration. The 125<sup>th</sup> Anniversary Mass will be an activity with minimal interpersonal interaction, whereas a dinner would have significant interpersonal interaction. That is why the Mass with Cardinal Cupich will still be held but the dinner will be postponed.

### Rescheduling:

At this time, there is no determination regarding other events and activities at Saint Andrew. The pastoral staff is monitoring information released from city officials and the Archdiocese of Chicago as well as considering the unique needs and circumstances of the Saint Andrew community. Any changes to parish schedules and activities will be posted through parish media.

For parishioners who have previously purchased tickets for the dinner, your tickets will be honored for the rescheduled date.

*"St. Ignatius would say to start by examining our feelings throughout the day."*

## Scripture Reflection by Deacon Eric Sorensen

We all know the feeling of being thirsty. We understand the grumbling of God's people, dying of thirst in the desert. Just as the Samaritan women brought her jar to the well, we too carry our water bottles.

I always had a large glass of ice water waiting for me as I worked in my yard. Often under the sweltering sun, I was refreshed by *cool spring waters*. I was invigorated. I felt better about myself and my outlook improved. But was this due to quenching my thirst, or something far deeper?

In the third step of the *examen*, **Review My Day**, Jim Manney talks of the "reality beneath the reality. We're looking to strip away our disordered attachments and get at what we want," -- what we are really thirsting for. St. Ignatius would say to start by examining our feelings throughout the day.

When our thirst is quenched, he called this *Consolation*, that we have moved toward God's love, which brings feelings of peace, security and joy. When our thirst is unfulfilled, he called this *Desolation*, that we failed to acknowledge God's love, which leaves a troubled spirit, plagued with anxiety, doubt, and dejection.

We know God was with his people in the desert. But they were people troubled in spirit, misunderstanding what they thirsted for, -- not water, but to trust in the loving care of God. By contrast, the Samaritan women's thirst moved from her reality to a deeper thirst for insight into the reality of God's presence in her life. "Could he possibly be the Christ?" In the desert, disordered attachments (sins) brought spiritual blindness of God's actual presence in the lives of the people. But the Samaritan woman, by acknowledging her sins, received the overflowing spring of love and graces from Christ!

Fr. Owen says, "Let's not forget: *God works with what is*." As I reflect on "what is," I know for me, that my *Consolation* was not based on what I accomplished in the yard. During that time, I reviewed my workweek, analyzing how to improve myself. I could feel my anxieties and doubts dissipate, becoming more at peace. Slowly, my reality -- *the what is* -- opened to enjoy the created reality of God. Yes, my thirst was refreshed, as I opened my heart to the Spirit, "a spring of water welling up to eternal life."

God Bless  
Deacon Eric

# Learn at Home, for Individuals & Families

## Option for the Poor and Vulnerable

It's not unusual for people to misunderstand this aspect of Catholic Social Teaching. "Option" sounds like our marginalized sisters and brothers have a list of items to choose from. Occasionally the pillar is called the "preferential option," which can be even more confusing. What does it mean?

Consider Jesus's life as our model. After all, Jesus was born to a poor family, in a poor community, and he ministered precisely to and among those marginalized members of his community. He lived alongside them, shared his meals and conversation with the poor, and encountered them with a closeness that we may find uncomfortable. But the simplicity of these actions - allowing what he saw, heard, and felt to touch him deeply - are what made Jesus's love so radical. He did not stay at a distance from those who were in need. *He put them first.*

The poor do not choose to be poor. They are made so by a lack of love, whether that is a lack of love from individuals or unjust structures that are in place. So when we consider how we may help the poor, we obviously can start with answering their immediate needs of food, shelter, clothing, and water. However, we also need to ask the question, "How did this come about? What needs to change so my brother or sister doesn't have to live this way? How can I help that to happen?" When we work to solve both problems, by being charitable *and* seeking justice, we have a real chance of making lasting change.

## Renovations to Parish Facilities Coming

The most recent Fund-A-Need at Wearin' the Green launched a fundraising drive to renovate our building on Hermitage Avenue including the renovation of our chapel. The Fund already has over \$125,000 given to this project. The following information details the steps that will be taken to meet our temporary needs while we still prepare for the school expansion which will take place through our [Enrich – Expand – Grow Capital Campaign](#).

**Plan Details:** There are 4 components of the plan

- 1. **Conversion of the current third floor art room into a Middle School classroom.** This important step will provide a classroom space that is essential to maintaining small classroom sizes and the differentiated instruction discussed above.
- 2. **Relocation of Mrs. Sterenberg's art program into a newly created art studio located in the current Pre-K classroom.** The relocation of the art program to the current first floor PreK classroom will provide this program with a space worthy of the content being taught to our children.
- 3. **Creation of a new "Early Childhood Education Center" in the Social Hall.** The Social Hall located in the lower level of the Hermitage building will be renovated to create interim classroom space for both our Junior Kindergarten and PreK programs.
- 4. **Creation of a new and improved "Community Hall."** The 2<sup>nd</sup> floor of the Hermitage building would be renovated into a "Community Hall," offering a multi-use space for activities such as Irish dance, scouting, and much more. The footprint of the current chapel space would be reduced by approximately seventy five percent to make room for this Community Hall. Important elements of this renovation include asbestos abatement, a new floor, removal of all but a few rows of pews, the addition of a kitchenette and bathroom, and more.
